

AMBASSADOR PROGRAM

WHAT IS THE TOON BOOM AMBASSADOR PROGRAM, AND WHO QUALIFIES?

Each year, we select fifty creators to participate in the Toon Boom Ambassador Program. This program is intended to recognize animation artists who make exceptional use of our software, whether they are industry professionals, freelancers, educators or hobbyists. We will consider any candidate who advances the craft of animation in their work using Toon Boom Harmony or Storyboard Pro. In addition, we take the following criteria into account:

- Previous activity in Toon Boom's community as well as our Ambassador Program.
- Experience in animation, including credits on television or film productions.
- Audience size on video and social media platforms.
- Industry recognition and awards.
- Professionalism and conduct.

All nominations for the Ambassador Program are subject to approval by Toon Boom Animation.
